BRAND NEW SHOW

MY GYM PARTNER'S A MONKEY

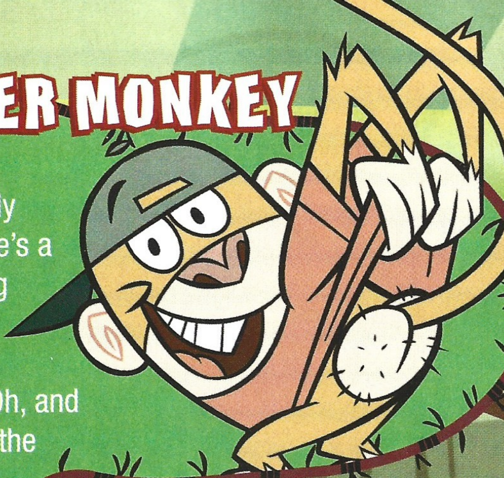

Meet **Adam Lyon**, the only human kid in his class! Due to a massive mix up, Adam has been sent to a school for animals where gorillas, giraffes and every other animal you can think of rule the roost! His best pal is Jake Spider Monkey but choosing an ape as a best mate lands him in a whole world of trouble! Can he ever get used to the weird world of Charles Darwin Middle School? Check out the show and find out!!

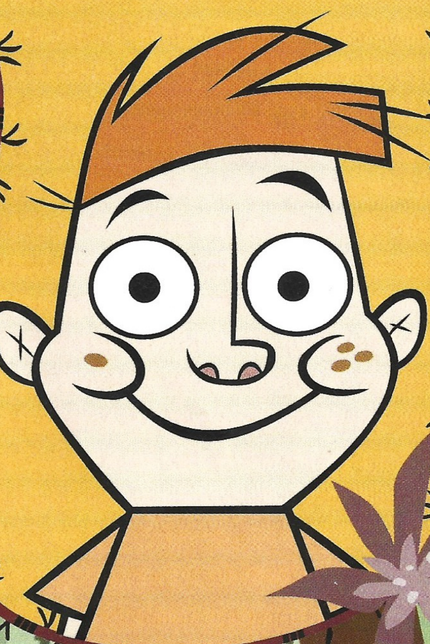

JAKE SPIDER MONKEY

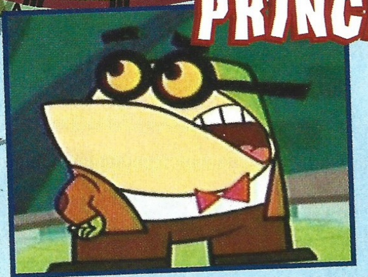

Jake is an energetic and adventurous ape who quickly becomes Adam's best buddy. He's a true friend who will do anything to help Adam when he's in trouble - despite causing most of the trouble himself! Oh, and he has an obsession with the well-being of his butt.

ADAM LYON

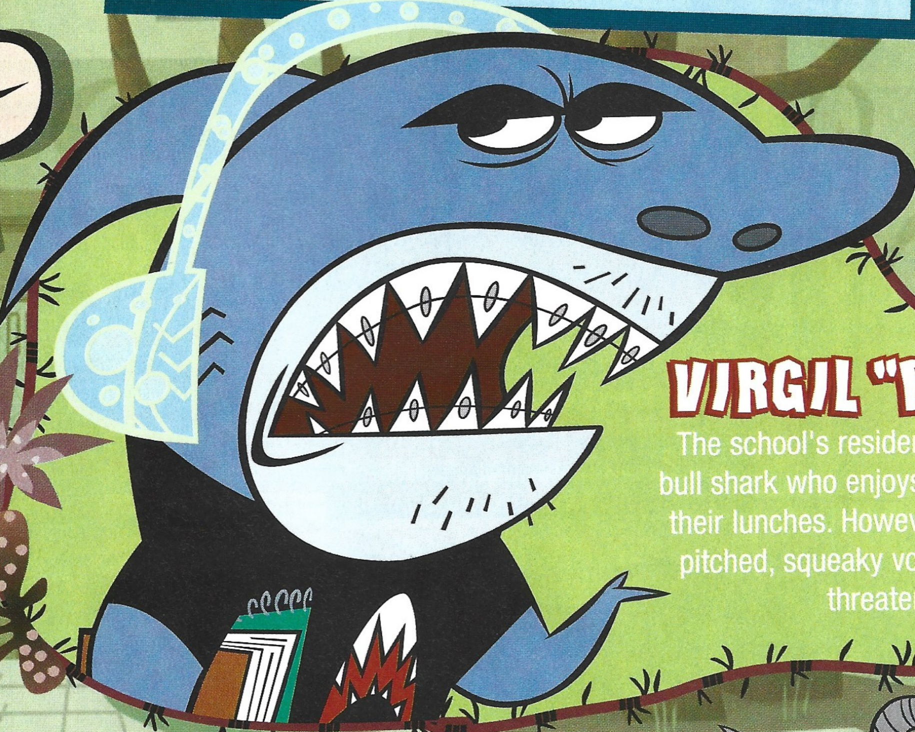

A naïve twelve-year old human who was transferred from a human school to Charles Darwin Middle School by an accidental mis-spelling of his last name from "Lyon" to "Lion". He is also physically weak which makes him a prime target for "Bull" Sharkowski and the other bullies.

PRINCIPAL PIXIEFROG

The principal of Charles Darwin Middle School runs a tight ship, which is somewhat remarkable considering he could easily be squashed underfoot by most of his students!

VIRGIL "BULL" SHARKOWSKI

The school's resident bully, Virgil "Bull" Sharkowski is a bull shark who enjoys beating up smaller kids and stealing their lunches. However, his tough act is ruined by a high-pitched, squeaky voice that makes him sound a lot less threatening than he would like!

CN reader, Ben Chaple-Perrie, was the ultimate winner in our KND competition, Operation D.R.A.W. from the April issue, and makes his debut in this issue's comic strip as KND agent Seven-Double-Oh!

INTELLIGENCE REPORT

REF:	06DF3-N700
SUBJECT:	INTERNAL RECRUITMENT

Intelligence reports suggest Stickybeard is preparing an offensive campaign against Sector V. Preparations for an imminent attack include the recruitment of an undercover agent, KND operative Numbuh Seven-double-oh, AKA Ben Chaple-Perrie.

The new recruit has shown a talent for covert operations, and was enlisted through a British underground publication – Cartoon Network Magazine, known for its intelligent readership under the guise of a 'competition' to expose new enemies to the KND. Sector V leader, Numbuh One has confirmed the new recruit is on active service aboard the Pirate ship, The Sweet Revenge.
